## The Best Paper! Try It!

The SCIENTIFIC AMERICAN is the cheapest and best illustrated weekly paper published. Every number contains from 10 to 15 original engravings of New Machinery, Novel Inventions, Bridges, Engineering works, Architecture, improved Farm Implements, and every new discovery in Chemistry. The SCIENTIFIC AMERICAN has been published weekly for 9 years, and stands foremost the all industrial times. The second of the pages of th

sketches examined, and advice free. All patents are published in the SCI-ENTIFIC AMERICAN the week they issue. Send for Pamphlet, 110 pages, containing laws and full directions for obtaining Patents. Address

37 Park Row, New York. Branch Office, cor. F and 7th Streets, Washington, D. C.

Published about the Firecesson, and contains the Schemitzic American, and contains the Schemitzic American, and contains the Frogress and Discoveries of the Proceeding Year. Price \$2.50. The Volume for 18th recently published. It is contents embrace the most Interesting Facts and Discoveries in the various Aris and Sciences that have transpired during the year 18th, exhibiting in one view the General Progress of the World. Price \$3.50. The publication of this Annual was commenced in 1872. All the preceding volumes of SCIENCE BECORD may be had separately at \$3.50 cach, or \$5 for the four volumes, 18th, 18th, and 1875. For flate at all the principal Societors Fablishers.
